Post Title: IT Manager - 1 Post
Duty Station: EWURA Head Office Dar es Salaam
Reporting to: Director of Corporate Affairs

Reporting to the Director of Corporate Affairs, IT Manager will be primarily responsible for the provision and management of appropriate Management Information System (MIS) for the Authority's regulatory and administrative operations.

Duties and Responsibilities

- Develop Information Communication Technology (ICT) Strategy that will facilitate design and development of regulatory monitoring systems;
- Responsible for system operations, ensuring smooth running and maintaining appropriate telecommunications facilities to support information system;
- Designing and implementing information security strategies and related procedures;
- Responsible for development and implementation of effective disaster recovery plan including off-site facilities;
- Maintenance of the Authority's Website;
- Develop in-house database and other programmes to ensure safe custody of data and information;
- Conducts programming activities including system designing, documentation of procedures, and operation of computer and peripheral equipment;
- Carries out system reviews and advises the Management on suitability of existing and new (modern) hardware and software;
- Advises the Management on Computer training needs for Authority employees; and
- Performs any other duties as directed by the Director of Corporate Affairs from time to time.

Academic Qualifications

The ideal candidate for this position should have:

- University Degree in Computer Science or Information Systems or its equivalent with significant competencies in Computer software applications and operating systems;
- Postgraduate/ Masters Degree in Computer Science, Information Technology or Business Administration; and

- A minimum of five years post qualification experience in a senior similar position in reputable institution

PERSONAL ATTRIBUTES

In addition to the above skills and qualifications, applicants for the above positions are required to have the following attributes:

- A very high level of integrity, honesty and sense of responsibility;
- Ability to work under pressure and produce expected results;
- Ability to work in a dynamic team;
- Ability to self manage, achieve results and meet deadlines; and
- Willingness to work beyond the call of duty.

MODE OF APPLICATION

Application letter with Curriculum Vitae (CV) including e-mail address or day time contact telephone number, together with photocopies of certificates and names and contacts of two referees should be addressed to reach the under-mentioned by 15th October 2008.

Only short listed candidates meeting the above criteria will be invited for interview. Lobbying and canvassing for employment will not be entertained and may work to the candidate's disadvantages.

Application letter should be addressed to:
