Namtumbo WSSA has submitted a Corporate Business Plan for the period 2026/27 to 2030/31. The proposed tariffs are intended to enable the Authority to cope with increased costs of water production, distribution, administration and maintenance; to improve the reliability and quality of water supply services; to extend the water supply network to unserved areas, including Mandepwende and Mingelele Streets; and to support sustainable service provision within Namtumbo Town.

This public notice is issued pursuant to Section 19(4) of the EWURA Act, Cap. 414, to collect stakeholders' views on the reasonableness of the proposed tariffs and fees.

As part of the inquiry process, EWURA will conduct a public hearing meeting on 8th October 2026 at Cooperative Hall, Namtumbo, starting at 10:00 a.m. Stakeholders and members of the public are invited to attend and present their views on the application.

Stakeholders are invited to submit written comments to the **Director General, Energy and Water Utilities Regulatory Authority, EWURA House, 3 EWURA Street, 41104 Tambukareli, P.O. Box 2857, Dodoma**, by 8th October 2026. Further details of the application may be obtained from **EWURA Headquarters in Dodoma** or from **Namtumbo WSSA offices**.
