PUBLIC NOTICE

WARNING TO ELECTRICAL INSTALLATIONS PERSONNEL

(Issued Pursuant to Section 7 (1) of the EWURA Act, Cap. 414 and Section 8 of the Electricity Act, Cap. 131)

NOTICE is hereby issued to all electrical installation personnel and the general public that:-

- (a) It is an offence to conduct electrical installation activities without possession of a valid electrical installation licence issued by EWURA, therefore, in order to comply with the Electricity Act, all practicing electrical installation personnel must ensure that they have a valid electrical installation licences issued by EWURA.
- (b) EWURA is giving **Notice** to all electrical installation personnel who are providing electrical installation services without a licence from the EWURA to **stop immediately** and apply for a licence.
- (c) All unlicensed electrical installation personnel can apply their licences direct by using **Licensing and Ordering Information System** (LOIS) through EWURA's website "www. ewura.go.tz " or direct visiting to EWURA Head Quarters in Dodoma or Zonal offices in Dar es Salaam, Mbeya, Mwanza and Arusha.
- (d) EWURA will conduct continuous operation to identify those who are continuing to carry out electrical installation services without licence and punish them in accordance with the Law. For easy identification, all electrical installation personnel are urged to carry their valid licences at all times when working and must be able to produce them to relevant officials or even to their customer upon demand.

- (e) Customers of electrical installation services should refrain from using unlicensed personnel and they are urged to request for identification before engaging them or obtain an up to date list of those with valid licence from EWURA web site (www.ewura.go.tz).
