**PUBLIC NOTICE ON CAP PRICES FOR PETROLEUM PRODUCTS EFFECTIVE
WEDNESDAY, 7TH NOVEMBER 2012**

The Energy and Water Utilities Regulatory Authority (EWURA) hereby publishes monthly cap prices for petroleum products in the Tanzania Mainland local market. These retail and wholesale prices are applicable effective **Wednesday 7th November 2012**. Kindly take note of the following.

- (a) Petroleum products retail and wholesale prices for all products in the Tanzania Mainland local market have increased compared with the last prices publications of 3rd October 2012. Retail prices for Petrol, Diesel and Kerosene have increased by TZS 55.14/litre or 2.77%; TZS 39/litre or 2.02%; and TZS 33/litre or 1.7% respectively. The wholesale prices for the same period have increased as follows: Petrol TZS 55.09/litre or 2.87%; Diesel TZS 39.29/litre or 2.09%; and Kerosene TZS 33.45/litre or 1.74%. Increase of petroleum products prices have been attributed by increase of world market prices and a slight depreciation of Tanzania Shilling.
- (b) In line with the prevailing sector legislation, prices of petroleum products are governed by rules of supply and demand. EWURA shall continue to encourage competition in the sector by making available petroleum products pricing information including price cap. This information on prices is intended to enable stakeholders to make informed decisions on petroleum prices at any particular time.
- (c) Oil marketing companies are free to sell their products at a price that give them competitive advantage, provided that such **price does not exceed the price cap for the relevant product. The new approved formula was gazetted through Government Notice No. 454 of 23rd December 2011.**
- (d) All petrol stations should publish petroleum product prices on clearly visible boards. The price boards should be clearly visible and should clearly show prices charged, discounts offered as well as any trade incentives or promotions on offer. Consumers are advised to purchase from those that sell products at the most competitive prices. **It is an offence not to have prices published on boards located in clearly visible places in front of petrol stations and it will attract punitive measures from EWURA.**
- (e) Retailers must issue receipts with respect to all sales that they make and consumers are advised to **demand and keep receipts** that clearly show the name of petrol station, date on which such purchase was made as well as, the type of fuel and price per litre for every purchase they make. This can be used as an exhibit in case of a complaint lodged in the event that the selling price is above the cap price or in case the products sold are off the approved specifications.
