LOCAL SUPPLIERS AND SERVICE PROVIDERS DATABASE

Pursuant to Regulation 38(1) of the Petroleum (Local Content) Regulations, 2017, the Energy and Water Utilities Regulatory Authority “the Authority” informs the petroleum industry operators, suppliers, service providers and the general public that it updates the Local Suppliers and Service Providers Database (LSSP) each month as fresh applications are received and processed.

2. The Authority wishes to inform the petroleum industry operators, suppliers, service providers and the general public that it has updated the LSSP for **the month of January, 2022 with an increase of 33 local business entities which makes a total of 1,215 currently registered in the LSSP Database.** The approved suppliers and service providers are eligible to participate in the execution of works and provision of various goods and services in the petroleum activities in Mainland Tanzania. The Database is accessible on the websites of the Authority-www.ewura.go.tz as well as that of the Ministry of Energy-www.nishati.go.tz.

3. The Authority also would like to inform the general public that registration into LSSP is continuing so far. Should there be any inquiry, feel free to contact the Authority through the following address-
